

Future of Work Workshop Outline

WHY

Purpose:

- We accelerate **human transformation in business** for sustainable growth and for the benefit of all stakeholders

How:

- We design future-fit leadership and organizational development experiences
- We bridge the latest discoveries and methods from Strategy, Agile, Future of Work, Neuroscience, and Integral Psychology
- We apply purpose-driven action and self-leadership skills to:
 - bring out the best in people;
 - enhance digital transformation, innovation and;
 - deliver beyond-the-profit results

Future of Work Workshop

Goal:

- Get first hand practical insights into the new leadership & organizational models.

Outcomes:

- Understand **the global megatrends** and why future-fit organizations will be radically different.
- Gain a big picture overview of the **new design principles, leadership & organizational models**. Get practical implementation tips.
- **Experience and practice** the new agile ways of working.
- Learn how to design a **beyond the profit Corporate Purpose & become a stakeholder-oriented organization**. Practical examples from different industries.
- Run a **Future of Work Design Sprint** with actionable outcomes for your organization.
